Hi Magali-

I received your summons for the [REDACTED] case scheduled for trial on June 16, 2011, and wanted to let you know that I should be available as I do not have any other cases already planned for that day. However, the drug lab number(s) are not listed on the summons. I tried looking up the defendant's name in the database, but got multiple hits (from different submission dates), so I do not know which are correct. Please let me know the drug lab numbers so I can prepare for the case. Thank you.
